

Le tende veneziane, composte da lamelle in alluminio orientabili, si collocano in qualsiasi ambiente sia esterno (lamella da mm.35 o 50) sia interno (lamella da mm.15 e25). Disponibili in una vasta gamma di colori pastello o metallizzati, nelle versioni con lamelle laccate o laccate microforate, vengono fornite corredate d'appositi supporti per un semplicissimo montaggio a parete, a soffitto o a vetro.

Diamo una consulenza tecnica completa e qualificata, seguendo le esigenze del cliente sotto ogni aspetto: formulazione preventivi su misura con rilievi tecnici, posa in opera e assistenza post-vendita.
